**The Benefits of Soy**

Our candles produce 95% less soot, offering a cleaner and healthier environment in your home. These soy candles burn the entire candle, last 40% longer, and the scent carries through the entire candle.

The following facts are also true about our candles:

- Produce no harmful carcinogens
- All natural - no metal or paraffin
- Wicks are 100% pure unbleached cotton with paper core
- Environmentally safe
- Water soluble & biodegradable
- A renewable resource
- Supports America's farmers

**Fragrance List**

- |                        |                       |                             |
